Item 9: Other Events

Aboitiz Power Corporation (AP), through its wholly owned subsidiary, Therma Marine, Inc. (TMI), assumed ownership today of PB 118, a 100-MW power barge moored at Bgy. San Roque, Maco, in Compostella Valley, Mindanao. The bunker-fired generating facility is one of two power barges acquired by AP through a negotiated bid conducted by the Power Sector Assets and Liabilities Management Corporation on July 31, 2009. The total purchase price for both facilities is USD 30 million. The other power barge, PB 117, which also has a generating capacity of 100 MW, is moored at Nasipit, Agusan del Norte and is scheduled for turnover on March 1, 2010.

TMI signed up an Ancillary Services Procurement Agreement with the National Grid Corp. of the Philippines to support the running of the plant. The agreement is still subject to approval by the Energy Regulatory Commission.

SIGNATURE (S)

Pursuant to the requirements of the Securities Regulation Code, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
