11. Indicate the item numbers reported herein: 9

Item 9: Other Events

Luzon Hydro Corporation (LHC), the operator and manager of the 70 MW Bakun AC hydroelectric power plant (the "Bakun Plant"), informed Aboitiz Power Corporation today that it has resumed operation of the Bakun Plant after the successful completion of its tunnel lining repair.

As previously disclosed, LHC started repairs on the tunnel lining of the Bakun Plant in November of last year and encountered technical difficulties which pushed the completion date for another four months from June to October of this year.

SIGNATURE (S)
